

"Recently, the Jacksonville Chapter of the National Naval Officers Association held a Mayor's Mentors Rally to help recruit and place 500 new mentors from across our community in Jacksonville schools by April 1. The mentor recruitment campaign is now at its midpoint and would like to remind those who indicated an interest in becoming a Mayor's Mentor to go online at www.nefl211.org <<http://www.nefl211.org>> and complete the process to become a mentor. There is still time for others who would like to become a mentor to go online and sign up <<http://www.nefl211.org>> to be part of this important, community-wide call for positive, adult role models for Jacksonville's students. So, if you are or know someone who is in the Jacksonville, FL area and believe you/they would make a good mentor please sign up for this very worthwhile cause. If you have any questions about becoming a mentor, please call United Way's Education Staff at 390-3267."
