Outstanding Turnout to Black History Month Luncheon

(MEMPHIS, Tn.) – On February 8th, 2013 the Memphis NNOA chapter conducted their annual black history month luncheon. The guest speaker was Pastor Keith Norman, First Baptist Church-Broad in Memphis.

Pastor Norman's speech was extremely well received by the audience and included a surprise of a \$500 donation to the Memphis NNOA scholarship fund. The program raised over \$1400 for scholarships in support of high school students in the Mid-South area.

In addition to the keynote speech, the Toastmasters of the Mid-South gave a presentation and Ms. Everine Johnson led the audience in singing "Lift Every Voice & Sing" to close out the ceremony.

The Black History Luncheon put on by NNOA Memphis, supported by the American Heritage and Diversity Council, is the premier Black History celebration for NSA Mid-South and all proceeds benefit the NNOA Memphis Scholarship Fund.
