## **I. NEW BUSINESS**

### 1. Membership:

- \*Best solution was to have all members register with the National website.
- Advantage: the roster for members will be easily accessible by logging on to the national website and using the database to pull all NNOA members registered in the local area.
- Disadvantage: we won't have local due to use to sponsor events.

### 2. NNOA Mixer:

- \*Great way to introduce the local chapter in conjunction with our membership drive.
- CDR Durr will work with CAPT Sokalzuk for approval and support
- Date/Time: Wednesday 28<sup>th</sup> Oct 1600-1730
- Location: Red Tail
- Who: targeting air station and sector officers & civilians in local community.

### 3. Responsibilities:

- \*Please respond to CDR Durr with any conflicts imposed on these tasks!
- Menze: Flyer to be posted around the air station as well as sector
- Basse: Reserve the Redtail and get permissions to use the roster located on the national database
- Jones: Beer for the Mixer

## **II. ADMINISTRATIVE:**
