## The USO Centers

The USO supports military personnel and their families' worldwide providing plethora social services at transportation centers, e.g., airports, bus stations, and inner-city locations. Services include: Internet access, phone cards, snacks, beverages and meals, clean, comfortable lounging areas, local transportation, pleasant conversation, and sleeping cots for an unexpected occasional overnight stay.

On 29 November, CAPT Don Flowers, US Navy Retired, President, SFBA Chapter of NNOA presented a National Naval Officers Association Plaque of Appreciation to the USO Center at the San Francisco Airport in recognition of their outstanding support of the military personnel transiting the San Francisco Bay Area.

with the volunteer on duty, and if possible,

make a generous contribution of money or an item that can be used by other military members transiting the area who may need help. It is a great way to give and say to our military "We Appreciate You!" The photo above is of two San Francisco Airport USO Center volunteers.
